We are pleased to invite you to the 8th Annual Celebration for Okizu, a special night of camaraderie and socializing in support of our Northern California children's cancer camp! This year, more than 300 pediatric cancer patients and over 400 siblings from every treatment center in Northern California attended a week-long camp providing recreation and respite for patients and their families, both during and after active therapy - free of charge - thanks to Okizu.

Enjoy a silent auction, strolling dinner, and dancing to live music, at the Sacramento Grand Ballroom at the corner of J and 7th Streets in Downtown Sacramento.

Silent auction items will be available during hors d'oeuvres and throughout the strolling dinner, with food and wine courses at multiple stations.

Wines by *Salexis* will be poured throughout the evening.
